

Fancy Nancy

Daisy Tea Party

Daisies are simply fabulous and Fancy Nancy is too! Girls can wear fancy clothes and use their fancy manners at this fancy tea party!

This event is approximately 2 hours long.

Gathering

For girls who arrive early, you can have them start coloring their bow nametag. They will need crayons, bow templates, and scissors.

Opening 30+ minutes

Begin the event by reciting the Girl Scout promise together. Then, make a tutu! Every fancy girl needs a fancy tutu. Follow the tutu instructions in the accompanying packet. You will need elastic and tulle. Parents or adults should help girls start their tutu. Some girls may need extra help.

Dress up 5 minutes

Fancy Nancy dress up! Have the girls dress up like Fancy Nancy. Wear your tutu, put on boas, crowns, and your fancy dress up accessories.

Story time 15 minutes

Read a Fancy Nancy story. Discuss the fancy words while reading the story, and review them at the end.

Girl talk 10-15 minutes

Discuss Fancy Nancy's manners. What did the girls notice about Fancy Nancy in the story? Was she using good manners? What were some bad manners? How did she change what she was doing? What did Fancy Nancy learn?

Nancy Says 20 minutes

Nancy (Simon) Says: Start by playing Simon Says with good manners (Nancy Says) versus bad manners. After using good manners/bad manners for a few rounds, just play Simon Says!

Fancy Nancy Bingo 30 minutes

Fancy Nancy Bingo: Have the girls color the bingo board and cut out the pieces they will need. Then, play bingo with their new bingo boards!

Snack Time! 15-20 minutes

Bake cupcakes prior to the event but do not frost them. Girls will get to decorate their own cupcake with colored frosting, sprinkles, and cupcake toppers. Make "tea" or lemonade and have girls try to pour from a teapot. Make sure to remind girls to use their manners!

Clean Up

Leave the room looking cleaner than when your group arrived.

Closing 5 minutes

Friendship Circle/Reflection: Everyone stands in a circle. Raise your right hand, cross it across your body over your left hand and hold hands with the person next to you. Each person can state what her favorite part of today was. When they are finished, gently squeeze the person to your right's hand until the squeeze has come back to the starting person. Then twist out!
