

HOUR OF CODE

Join Girl Scouts of Greater Iowa in completing the **Hour of Code** challenge. During Computer Science Education Week, people from around the globe come together to practice their coding skills.

Choose a day between **December 7 – 13, 2020**, sit down at your computer, and visit code.org/learn to complete one hour of code.

When you participate, you can work towards your Coding for Good badges or Think Like a Programmer Journey. And earn a new patch!

Whether you're a beginner or have been coding for years, you can take part in the Hour of Code!

HOW TO JOIN IN THE HOUR OF CODE

You'll need:

- Access to a computer or device
- Internet connection
- Headphones are recommended

When you're ready...

1. Visit code.org/learn
2. Explore the website! Above the activities, you'll find suggestions for age and coding experience.
3. Get the patch! When you have completed your hour of coding, purchase the patch in the GSGI shop!
