

ANIMAL QUEST

BEFORE YOU GET STARTED

Recommended Ages: Grades 2 - 8

Estimated Time: 30 - 45 minutes

Stuff you'll need:

- Computer or tablet with internet connection
- Print out the activity on the next page and use a pencil to fill in the answers

Parents/Guardians should consider: There is always risk when youth use the internet. Some adults may choose to review house rules of internet use or sit down with their girl to complete the activity together. Brownies may need help with some of the vocabulary.

NOTE: This activity can be used with any virtual zoo or aquarium experience.

THE FUN PART

1. Go to your chosen zoo or aquarium website, with your parent/guardian's permission, and find the virtual tour or live cams.
2. Play the QUEST game on the page below by writing or typing in the name of an animal you found online that answers the clue. If you get five answers in a row, you win (just like BINGO)! For a big challenge, play "Black Out". When you've answered all the clues, you've "Blacked Out" your card.
3. For extra fun, race against someone else! Challenge a brother or sister, mom or dad, or anyone else in your home. Yell QUEST when you have five in a row. You've won!
4. Way to go! You did it! Share on social media with your parent/guardian's permission. Use the hashtag #GSGIDIY
