THE FUN PART

1. Go on a nature walk and observe outdoor art. Try to find as many of these items as you can. Don't collect or touch anything – just observe!
 - An animal
 - A plant not colored green
 - A tree with flowers
 - An insect
 - A bird
 - A fallen leaf with a unique pattern
 - A rock with an unusual shape
 - A bush as tall as you
 - A pinecone or acorn
 - Moss growing on a rock or tree
2. Now find a nice spot to sit and observe the nature around you. Take note of what you see. Write down:
 - 5 things you can see
 - 4 things you can hear
 - 3 things you can smell
 - 2 things you can touch
3. Now create a poem, picture book, or art piece that illustrates what you observed.
4. Way to go! You did it! Share on social media with your caregiver's permission. Use the hashtag #GSGIDIY
