THE FUN PART

1. Print and cut out a silhouetted shape. Check out the Girl Scout Trefoil silhouette on the next page or draw your own silhouette!
2. Tear out several magazine pages. Fold them in half twice (see below.), then cut along the folds to divide each page into four rectangles.

3. Start to roll! Roll each magazine rectangle tightly and tape the edge so it won't unravel.
4. Glue your magazine rolls to your silhouette, taped seam side down. Once the silhouette is covered, flip over and trim off the extra magazine pieces. This will reveal your silhouetted shape.
5. Glue your magazine silhouette to a piece of cardstock.
6. Way to go! You did it! Share on social media with your caregiver's permission. Use the hashtag #GSGIDIY
