## Meet the Camp Directors!

### What is special about your camp?

**Abbie Smith** At Camp Sacajawea, we love a silly-goofy time including camp skits and songs and all camp games. And of course a group of loveable horses (and our unicorn). At camp, you are our friend and we'll walk with you always!

**Julia Mannes** At Camp Tanglefoot, it's ever-changing, ever-growing, yet somehow still the same! We're working to create new memories for today's campers and still appreciating our 75+ year history as we carry on into the future! We have so many exceptional activities to try like canoeing, sailing, or paddle boarding at the lake or trying the high ropes course, everything we do has a team/community focus and shared memories are made with friends new and old!

### Favorite camp food?

**AS** Totchos **JM** Coffee cake and breakfast bars!

### Years at camp

**AS** 13 years as Camp Director, 5 years as a summer camp staff (seasonal), and 9 years as a camper = 27 years total!

**JM** 17 years as Camp Director, 6 years as a summer camp staff (seasonal), and 9 as a camper = 32 years total!

### #1 item to pack for camp?

**AS** Extra socks **JM** Shoes to run, climb, and play in!

### Tent or cabin?

**AS** Cabin **JM** Tent

### Early bird or night owl?

**AS** Early bird, I like getting a jump start on the day.

**JM** Usually early bird, I love sunrises! But I'll do either!

### What do you love about being a Girl Scout?

**AS** Meeting so many new people.

**JM** New experiences and continuous opportunities to grow as a leader!

### How do you think camp adds to the Girl Scout experience?

**AS & JM** We believe Girl Scouts can come to camp with friends or individually, meet new people, and have new experiences that help them discover who they are and what they're interested in.
