

# Camp Code of Conduct

All campers' attitudes and behavior are critical to the success of this camp program. The Girl Scout Promise and Law are the foundation of camp behavior expectations. At Girl Scouts of Greater Iowa, we are committed to creating an inclusive environment where all girls can participate in a movement that encourages them to overcome barriers and become leaders in their community and world. All our staff, campers, volunteers, members, and parents/guardians are expected to think, speak, and act in ways that ensure all people feel they belong and can meaningfully participate in all aspects of Girl Scouting, including at camp.

Therefore, for the good of the camp program, as well as for the emotional and physical safety of all campers and staff, everyone is expected to:

1. Follow camp rules.
2. Be respectful to counselors and fellow campmates.
3. Be respectful to the equipment, programs, facilities, grounds, and furnishings provided by Girl Scouts of Greater Iowa.
4. Use the safety equipment provided by Girl Scouts of Greater Iowa and to not endanger themselves or others.
5. Use appropriate language and behavior. Bullying, fighting, any act of violence or self-harm (either real or threatened), creating a hostile or unsafe environment, excessive rowdiness, harassment, derogatory remarks, and inappropriate gestures are not tolerated at camp.

If campers do not comply with the Code of Conduct, the camper's parents/guardians will be called. Campers in violation of the Code of Conduct may be sent home. No refunds will be granted.

Any act of discrimination made on the basis of race, color, creed, religion, alienage or national origin, ancestry, citizenship status, age, disability, gender, marital status, familial status, veteran status, sexual orientation, gender identification, genetic information, public assistance, local human rights commission activity, or any other characteristic protected by applicable federal, state, or local laws is prohibited. Girl Scouts of Greater Iowa is committed to inclusion and will make reasonable efforts to provide accessibility to girls of all levels of ability.
