

YOUR SUMMER CAMP ADVENTURE STARTS NOW!

At Girl Scouts of Greater Iowa's (GSGI) summer camps—Camp Sacajawea and Camp Tanglefoot—you get the chance to unplug, play outside, and connect with nature in a girl-centered space. You'll enjoy activities like campfire building, swimming, archery, horseback riding, arts and crafts, hiking, kayaking, and challenge courses. Whether you're sleeping under the stars or in a cozy cabin, camp is a place you'll have a blast with other girls and build confidence as you try new things and make friendships that last long after summer ends.

New to camp and not sure where to start? This brochure lists all of our 2026 summer camp sessions, which vary in type and length, so you can choose what feels right for you. Each session has a theme that shapes the activities, and every camper group has dedicated camp counselors to guide and support you throughout your stay. **Want to bring a friend who is not a Girl Scout? Not a problem! They can still join us at camp and become a member in the registration process.** Our goal is to make sure everyone who wants to come to camp has the ability to do so. Financial assistance is available!

ABOUT OUR CAMPS

CAMP SACAJAWEA

Located just northwest of Boone, Camp Sac has been home to our equestrian program and camp adventures for more than 60 years. Campers settle into cabins, platform tents, or lodges for classic camp experiences surrounded by nature.

CAMP TANGLEFOOT

For more than 75 years, campers have enjoyed outdoor adventures at Camp Tanglefoot along the shore of Clear Lake. Specializing in aquatic adventures like canoeing, paddle boarding, and sailing, Camp Tanglefoot offers countless ways to connect with the outdoors and create lifelong memories.

OVERNIGHT CAMP

Overnight camp is a chance for you to come to camp without your parents/guardians. Overnight camp sessions vary in length; our youngest overnight campers are entering grades 1-3 in the fall and stay for 2 nights (about 48 hours total). Campers going into grades 4 and above typically stay for 6-days, 5-nights.

Overnight camp is great if you are comfortable being away from home and your parents/guardians. Here you'll really dive into the camp experience, bond with your friends and fellow campmates, and truly have a traditional camp experience. Sessions center around a theme, but we also make sure that your experience includes some of the classic camp favorites like s'mores, swimming, arts and crafts, games, and songs.

DAY CAMP

Day camp is great for first-time campers! You get to come to camp without your parents/guardians, but don't spend the night. You'll be grouped with other day campers and have fun making new friends. Times vary based on session, but check-in is usually between 9:00-10:00 a.m. and check-out between 4:00-5:00 p.m. Like other types of camp sessions, day camps have themes for the day but also enjoy classic camp activities.

Days are structured similar to the daytime of an overnight session, so once you've tried a day camp, you'll be ready for an overnight stay next time!

COUNSELOR-IN-TRAINING CAMP

A Counselor-in-Training (CIT) is a Girl Scout in grades 10 or 11 who participates in our successful leadership program directed toward their future in camp counseling, teaching, or other human service fields. GSGI is proud to offer one of the most successful CIT programs in the nation. Based upon the resources of Girl Scouts of the United States of America, American Camp Association, and leading child development experts, this leadership program is completed over a two-summer period. After successful completion of the program, CITs are eligible to apply to work as camp staff.

Grade 10 - CIT 1: The focuses are experience in responsibility, program goals, contemporary issues, leadership styles, child development, outdoor living skills, group dynamics, conflict resolution, and program interaction with campers.

Grade 11 - CIT 2: The skills learned in the first year, augmented by program immersion with campers, are expanded upon through skills specialization, safety practices, outdoor living skills, and experience leading activities.
