

2024 Fall Product Program Juliette Guide

The Juliette program allows participants to register individually for Girl Scouts, mixing and matching different activities to meet their needs and interests. Similarly, you as the adult can choose how you want to help your Juliette participate in the Fall Product Program.

Option 1: You manage the program for your Juliette: During the Fall Product Program, you will act as your Juliette's Troop Product Manager (TPM). While you're not technically a "Troop" Product Manager, you'll manage the same stuff for your Juliette so be on the lookout for communications and guidance sent to TPMs during the program, like the weekly Shout Out! newsletter. Juliette parent/guardians who register and fill out their online Juliette Parent/Guardian Agreement can also create a custom avatar and receive a personalized patch! (One patch per Juliette parent/guardian.) To gain full access to our online ordering system, you will need to be a registered member of Girl Scouts. If you aren't comfortable with this, your local Service Unit Product Chair (SUPC) can help manage your Juliette's Fall Product Program for you (Option 2).

Option 2: Your SUPC manages the program for your Juliette: The SUPC is a volunteer in your area who will be your point of contact for the Fall Product Program! They'll be your go-to contact for questions, any help you need with the M2 system, and they will make sure you receive your product and rewards at the end of the program. If you're not comfortable managing the program for your Juliette, your SUPC will be able to do that for you as well. If you are unsure who your SUPC is, please email us at info@gsiowa.org or call us at 800-342-8389.

Let us know if you would like to manage the program or have you SUPC handle things when you fill out your Juliette Parent/Guardian Agreement or contact us at 800-342-8389 or info@gsiowa.org.

Rewards and Program Credits

In addition to earning rewards, patches, and Munch Money as they reach each level outlined on the Nut Order Card, Juliettes also earn Juliette Program Credits (JPC) instead of the Troop Proceeds earned by participating troops.

Program Credits expire September 15, 2025. Juliette Program Credits are noncumulative. For more information about Program Credits, please review the 2024-25 Program Credit Policy found on The Bridge.

Items Sold	JPC	Items Sold	JPC
5-9	\$5	30-39	\$30
10-14	\$10	40-59	\$40
15-19	\$15	60-79	\$60
20-24	\$20	80-99	\$80
25-29	\$25	100-119	\$100
Above 100 items, JPCs increase \$20 for every 20 items sold.			

Handling money

Money is deposited at Wells Fargo using your deposit-only card or by bringing in to the nearest Girl Scout Leadership Center.

Always use your PIN and keep a receipt.

All money is due by October 30, 2024.

Deposit-only Card Guide

To participate in the Fall Product Program, Juliettes receive a deposit-only card that will allow you to make deposits at Wells Fargo ATMs or inside Wells Fargo branches.

If you have a deposit-only card from a previous Product Program, you can continue to use the same one. If you're a new Juliette, or need a new card, we'll order and send one out to you as soon as possible. You can indicate that you need a card on the Juliette Parent/Guardian Agreement or by emailing info@gsiowa.org.

To deposit checks, checks should be made out to "Girl Scouts." In the signature section on the back of the check, write "For deposit only – Girl Scouts of Greater Iowa."

Important: Your deposit-only card has a unique pin number. Be sure to use your pin when making a deposit, so that the deposit will be credited back to the right Girl Scout.

If you do not have access to a Wells Fargo branch or ATM, you can come into any GSGI Leadership Center to turn in payments. For the Fall Product Program, deposits should be made at least twice—once halfway through the program, and then again at the end of the program, by October 30.
