# Juliette payment options for 2026

Juliette families have multiple options to turn in money for Product Programs.

### **Direct bank ACH**

Families can provide their personal bank account information to allow GSGI to withdraw the balance owed from a personal bank account.

### **Youth savings account ACH**

Families may open a dedicated account to manage product funds. This option helps keep product money separate from personal accounts, and these banks often have zero fee account options for these types of accounts. *Suggested financial institutions include Bank Iowa, Iowa State Bank, Greater Iowa Credit Union, Veridian Credit Union, Bankers Trust, Community 1st Credit Union, and Lincoln Savings Bank.*

### **GSGI shop deposit**

Make a payment at one of GSGI's retail locations! Appointments are required—no walk-ins. Email [info@gsiowa.org](mailto:info@gsiowa.org) to schedule an appointment.

### **Digital payment options**

If the above payment options won't work for you, please contact us at [info@gsiowa.org](mailto:info@gsiowa.org) to speak with our finance team about options to pay via Venmo, Paypal, or credit/debit card.

Questions? Email us at [info@gsiowa.org](mailto:info@gsiowa.org).

# Check Writing

## Check payment guidelines for Juliettes

To ensure checks are processed correctly, please follow these guidelines:

- If using an ACH bank deposit option, make checks payable to GSGI AND the parent/guardian or Girl Scout's name
- If depositing at a GSGI retail shop, make checks payable to GSGI.
- Checks that are not written correctly may be delayed or unable to be processed.

# THANK YOU!
