Benefits of participating

- Girl Scouts learn and practice skills like goal setting, decision making, money management, people skills, and business ethics as they earn proceeds for their troop.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.
- Proceeds stay local to benefit our council and troops earn 20% on each Mags & More item and 15% for each nut and chocolate item sold.

How the program works

This program allows Girl Scouts to be entrepreneurs by offering family and friends the opportunity to purchase from a variety of products. There are two ways to participate:

- In-person by taking orders using the nut order card and collecting payments.
- Online by inviting friends and family to order. Customers can choose to have nuts and chocolates, Girl Scout-themed BarkBoxes, magazines, and much, much more shipped directly to them. They can also select nut and chocolate items for Girl Scout delivery.
