

Understanding How Many Volunteers You Need

Girl Scout groups are large enough to provide a cooperative learning environment and small enough to allow development of individual girls. The following group sizes are recommended:

- Girl Scout Daisies: 5–12 girls
- Girl Scout Brownies: 10–20 girls
- Girl Scout Juniors: 10–25 girls
- Girl Scout Cadettes: 5–25 girls
- Girl Scout Seniors: 5–30 girls
- Girl Scout Ambassadors: 5–30 girls

Girl Scouts' adult-to-girl ratios show the **minimum** number of adults needed to supervise a specific number of girls. (Councils may also establish **maximums** due to size or cost restrictions.) These supervision ratios were devised to ensure the safety and health of girls—for example, if one adult has to respond to an emergency, a second adult is always on hand for the rest of the girls. It may take you a minute to get used to the layout of this chart, but once you start to use it, you'll find the chart extremely helpful.
