## WHO HAS ACCESS

**NOTE:** If you hold roles with multiple troops, you'll have a Volunteer Toolkit account option listed for each group—all under one login! Look for the gray drop-down box in the upper-left corner of your screen to navigate between troop accounts.

### TROOP LEADERS AND CO-LEADERS

Active volunteers registered for the current Girl Scout membership year in a troop leadership role. There should be at least two volunteers with access to the same troop account in the Volunteer Toolkit.

### TROOP PRODUCT PROGRAM VOLUNTEERS

Active volunteers registered for the current Girl Scout membership year in a troop product program role. This role will have access to full troop member details on the My Troop tab including contact information. All other tabs will be read-only.

### CAREGIVERS OF GIRL SCOUTS IN A TROOP

Each primary caregiver has access to view their troop's Volunteer Toolkit account. They have read-only permission for the meeting schedule and agendas, plus additional resources.

- Caregiver accounts can only be accessed if the troop leader has set up a year plan.

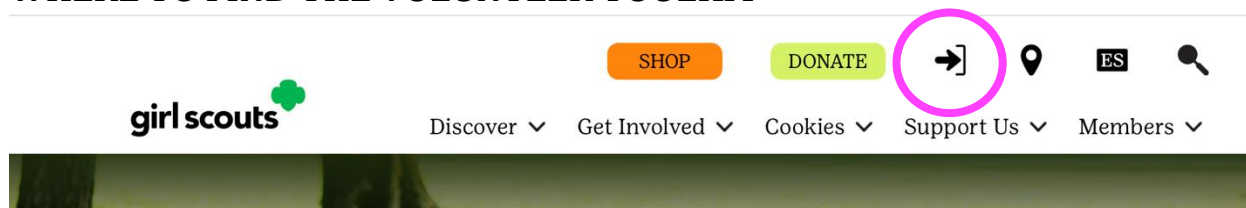

### CAREGIVERS OF INDIVIDUALLY REGISTERED GIRLS, OR JULIETTES

Each primary caregiver of a currently registered Girl Scout who is not part of a troop will get troop-leader like access with their Girl Scout(s). Access is granted through the council based on confirmation of individually registered status.

### DEMO ACCESS

Available for supporting staff roles that need access to the Volunteer Toolkit for training purposes. Demo access mirrors troop functionality but does not contain individual or troop information. These users will have two demo accounts under the gray drop-down— "Troop Demo – Troop Leader" and "Demo – Parent"— and can see both sides of the troop experience. Access is granted through the council based on placement in designated support roles.

## WHERE TO FIND THE VOLUNTEER TOOLKIT

The Volunteer Toolkit can be used from any computer, tablet, or smartphone with internet access. For best results, use a Toolkit-friendly browser, such as Chrome or Firefox, with a cleared cache, and visit [girlscoutsiowa.org](https://girlscoutsiowa.org).

In the upper-right corner of your screen, click the myGS icon to login using the credentials provided when you registered. Once logged in, from the My Account page, select “Volunteer Toolkit” from the left menu.

## BASIC NAVIGATION

The Volunteer Toolkit is divided into tabs that each have unique tools to help you plan your troop year and manage each meeting with ease. If you’re on a computer, you’ll see the green tabs across the top of your browser window. Mobile users will see a gray drop-down menu at the top with tabs beneath.

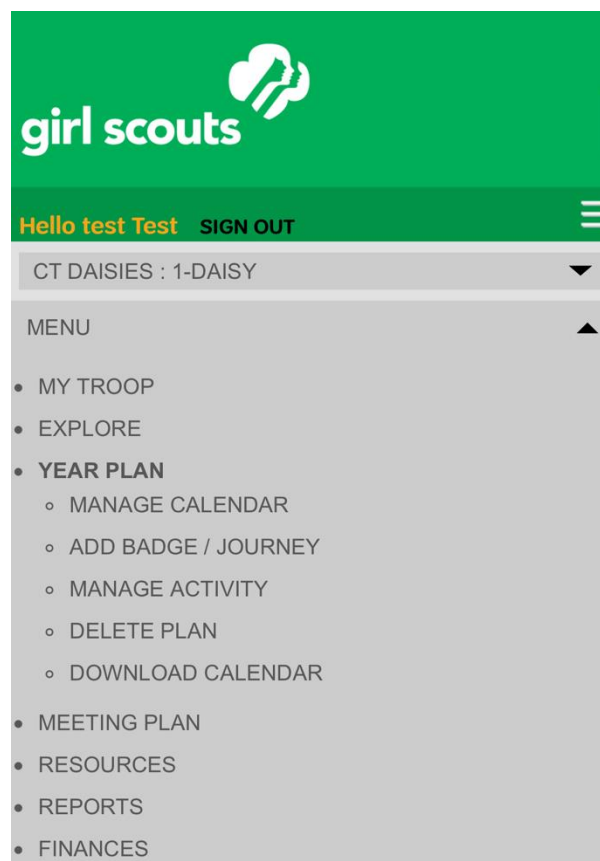

You’ll notice three icons on almost every page of the Volunteer Toolkit:

**Print** allows you to print a copy of your current screen.

**Download** allows you to download calendar appointments (from the Year Plan tab), pages, and resources.

Seek additional **help** by clicking the green question mark icon or by clicking “Take a Guided Tour.”

## BASIC NAVIGATION (Continued)

### My Troop

Here you will find a complete troop member roster along with family contact information and achievements. Click the green arrow next to each name to expand and see additional information, including a snapshot of achievements and attendance.

From this tab, you can also email caregivers, download, and print a roster with troop member achievement and attendance information, renew memberships, and customize the page with a troop photo.

### Explore

You'll find exciting options for your troop this year under the Explore tab, including prebuilt tracks based on your troop's Girl Scout program level. You can also browse individual badges and meeting types to build a plan from scratch. Once you've made a choice, your year plan will be automatically populated. Selecting a

year plan is required before other features become available, but you can come back to the Explore tab anytime to add more along the way.

From this tab, you can also preview prebuilt tracks of badge and Journey activities, preview individual badge or award requirements, and download or print an overview of each preselected track so you can easily review options with your Girl Scouts at your first meeting!

**Caregivers and product program volunteers** will not see the Explore tab.

## Year Plan

From this tab, you can schedule meetings, add or swap out badges or awards, and fine-tune your Girl Scout year. For a walk-through of all the tools at your fingertips, click “Take a Guided Tour” on the Year Plan tab. If you ever want to start all over, use the Delete button to remove all meetings, attendance and achievements. \*

*\*Deleting your Year Plan means it cannot be undone or recovered.*

From this tab, you can also set meeting dates and locations, add more custom and council activities, preview requirements, and view previous years and important milestones from your local area.

**Caregivers and product program volunteers** will see a read-only version of the year plan their troop leader has built in the Volunteer Toolkit.

## Meeting Plan

Here you’ll find the tools to make each badge, award, meeting, and activity a success. We’ve provided meeting prep information, materials lists, and even suggested scripts for many activities.

From this tab, you can also quickly print meeting resources, customize meeting plans, email families, track attendance, and check off completed badges and awards.

**Caregivers and product program volunteers** will see a read-only version of the meeting plan their troop leader has added to their year.

## Resources

Under this tab, you’ll find answers to your pressing questions—like where to put pins or badges on a uniform, which special awards your Girl Scouts can earn, or how to lead well-loved Girl Scout traditions—along with national and local resources by topic.

From this tab you can also gain access to the Girl Scout shop from each program level, download reference documents for all the awards a Girl Scout can earn, and explore tips for troop leaders and other roles. All user types can see this tab and interact with it in the same way.

## Finances

Currently, Girl Scouts of Greater Iowa does not utilize this functionality of the Volunteer Toolkit. For the annual Troop Finance Report, please visit the [Forms and Documents page of our website](#) and search “Troop Finance Report.”

## FIRST-YEAR TROOP LEADER EXPERIENCE

New leaders: need help getting started? We’ve got you. The First-Year Troop Experience supports new leaders with additional guidance to get you acquainted with the Volunteer Toolkit. After logging in and navigating into the Volunteer Toolkit, you’ll be prompted to answer the question, “Is this your first year as a Girl Scout troop leader?” If you answer “yes,” you will follow a guided path with recommended steps to simplify your onboarding process.

If you’re not a first-year Girl Scout troop leader but would like to see the guided path, click “Take a Guided Tour” on any of the Volunteer Toolkit tabs to see the same guidance that a new leader would.

## SET UP YOUR YEAR PLAN

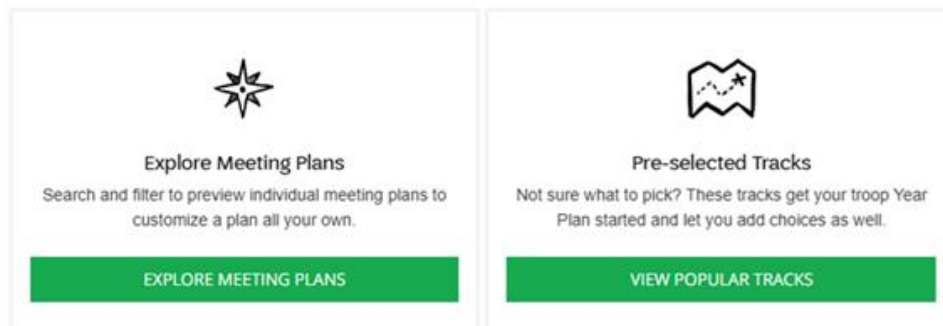

The first time you log into the Volunteer Toolkit, you’ll be taken to the Explore tab. From here, you can visit the My Troop, Resources, or Finances tabs, but to activate the Year Plan and Meeting Plan tabs, you need to first make your selection under the Explore tab.

If you don’t see the correct grade level for your troop, please contact Customer Care at [info@gsiowa.org](mailto:info@gsiowa.org) or 800-342-8389.

### Multi-level Explorer 2024-2025

To set the troops calendar year, select the badges and awards your girls want to earn or try a pre-selected track. The Year Plan fills based on your selection. Easily make changes at any time.

Want to explore more before setting up a plan? Check out the [Award and Badge Explorer](#) to mix and match badge and Journey choices. Include your Girl Scouts and let them give input as you plan your year.

Before setting up your year plan, you can also check out the Award and Badge Explorer from the bottom of the Explore tab to mix and match potential award options in a PDF, and to share or make decisions with your troop members. Once they’ve decided, you can always come back to build out the schedule for those badges and awards.

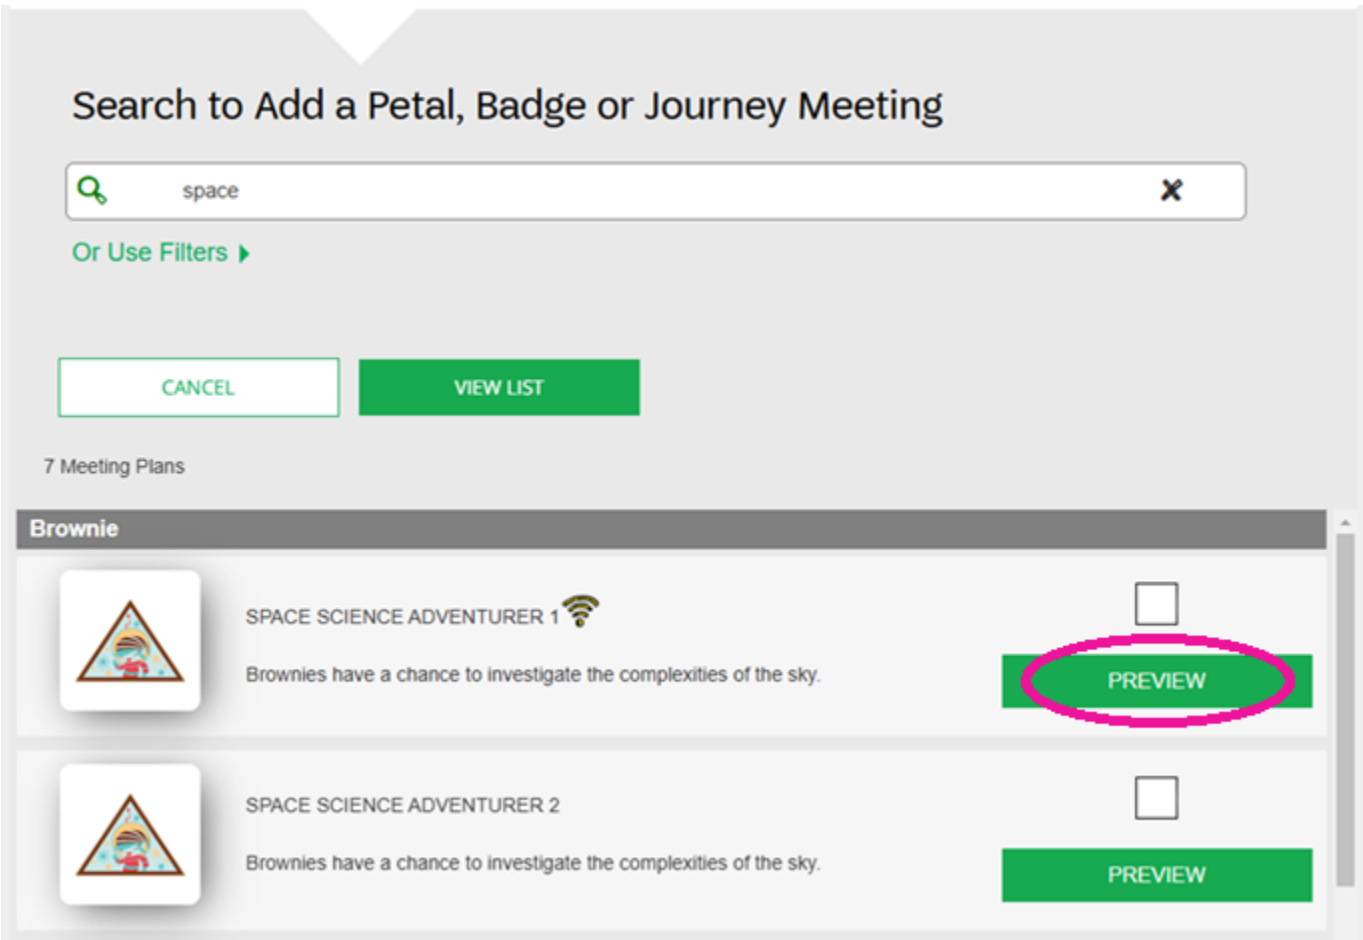

**Explore Meeting Plans**

Build a year plan that’s completely customized to your troop’s interests! You can mix and match meeting plans that work toward the badges, Journeys, and activities that excite your Girl Scouts.

You can also search through all badges and Journeys, regardless of your troop’s program level. Use the available filters, or search for specific meetings and simply select the ones you’d like to use in your year plan. Additionally, you can use the Preview button on any meeting plan to see the overview, activities, and more to help narrow down your decision.

Each year you can use the “New for [Insert Year]” filter to find all the new programming released in the Summer.

Once you’re finished, click “Add to Year Plan” at the bottom to move forward in the system.

## SET UP YOUR CALENDAR

You're almost ready to unlock everything the Volunteer Toolkit has to offer—your last step is setting up calendar dates for your meetings. Once you're on the Year Plan tab, click "Manage Calendar," select a start date for your meeting pattern to begin, and choose the frequency of your meetings and a general start time. You will also be able to avoid any major holidays or days of observance.

Individual dates and times can be changed meeting by meeting after this step; simply select any combination to get started. Once your start date, start time, frequency, & holidays to avoid have been selected, scroll down and click "Update Calendar" at the bottom of the overlay.

The screenshot shows the Volunteer Toolkit interface with the 'MEETING PLAN' tab selected. A 'Manage Calendar' overlay is open, showing a calendar for February 2025. The calendar has a start date of February 24, 2025, at 05:30 PM, and a frequency of biweekly. The overlay also lists various holidays and observances to avoid, such as Yom Kippur, Diwali, Thanksgiving Day, Christmas Eve, Kwanzaa, Hanukkah, New Year's Day, and Martin Luther King Jr. Birthday. A pink arrow points from the 'Manage Calendar' button in the main interface to the 'Manage Calendar' overlay.

# ADDING MEETINGS AND ACTIVITIES

## Add or Change Meetings to Your Year Plan

Girl Scouts are ready for whatever comes their way—and that includes changes in meetings or their year plan. Start by using the green “Add Badge/Journey” link at the top of the Year Plan tab OR the “Search to Add Meetings” link at the bottom of the Year Plan tab. You may notice that this is the same badge & award meeting search from the Explore Meeting Plans option in the Explore tab. Use the search feature or filters to sort through available meeting types and choose which ones to add to your year plan. Meeting titles with numbers at the end are part of a series, and you’ll want to add all of these to meet the requirements for the award. Meetings already in your plan will be clearly marked. Once you’ve made your selections, click “Add to Year Plan.”

To combine meetings, select the two meetings you’d like to combine, then select the new date on which you would like that meeting to occur. After you’ve made changes, click “Save” and your year plan will be updated. If you go back to “Manage Calendar,” you’ll see a green gear icon to the right of each meeting date. ## Adding Other Types of Activities

Meetings and badges are only part of a go-getting Girl Scout's troop year! You can add things like field trips, service projects, or cookie booth sales to your year plan as well. Any activity you add will appear in blue and show up chronologically. At the top of the year plan, click "Add Activity."

### Custom Activity

Add your activity name, date, time, location, and details to your year plan. Remember: caregivers will see this information too, so be sure that event details are clear, and any special instructions are included here.

### Council Activity

Currently, Girl Scouts of Greater Iowa does not utilize this functionality of the Volunteer Toolkit. For viewing council programming, events, and summer camp options, please visit [The Hub](#). You can manually add any planned council event attendance to your year plan as a custom activity.

## VIEW PAST YEAR PLANS

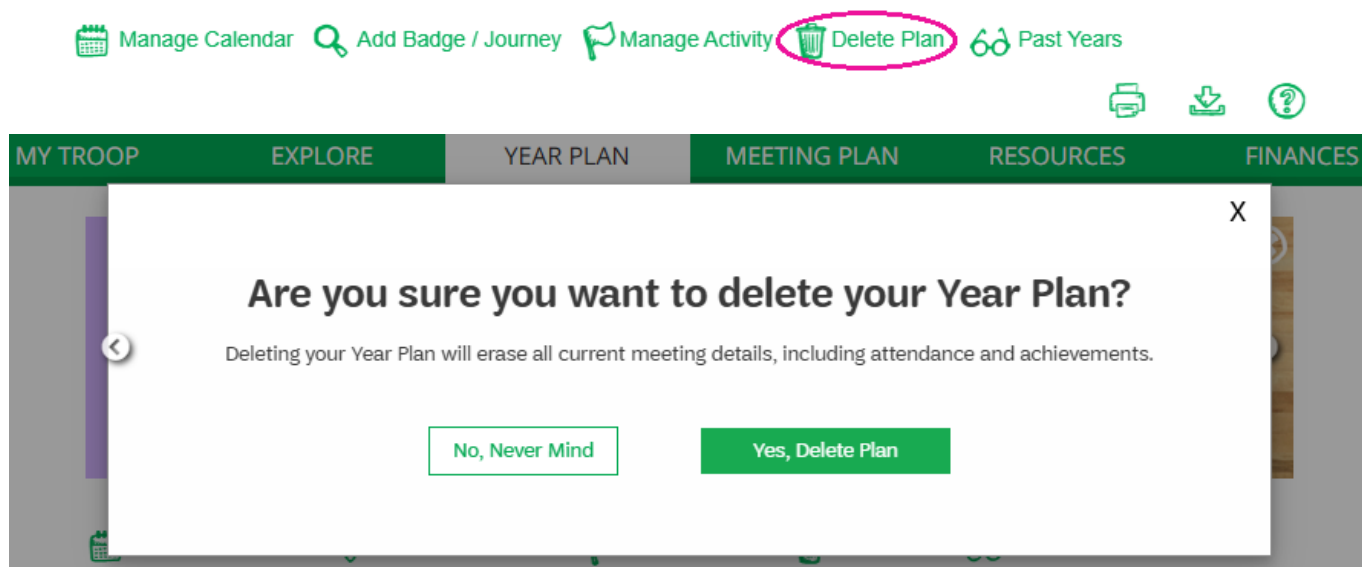

Each summer, the Volunteer Toolkit resets and archives your year plan. At that point, you'll no longer be able to make changes to any of your meetings. However, you'll still be able to view the plan through the green "Past Years" link at the top of your Year Plan tab.

\*Note that achievement and attendance records do not archive; **please download a copy of this information** for your records. Caregivers can also download a copy of their own Girl Scout's achievements from the My Troop tab.

## DELETING THE YEAR PLAN

If you ever need to wipe the slate clean and start fresh, you can use the Delete button at the top of the year plan to do just that! Be careful though, deleting your plan will remove all meetings including the attendance and achievements you've tracked on them. It cannot be undone and is not recoverable, so use it carefully!

## MILESTONES

You might see orange bars across your Year Plan tab in chronological order with your other meetings and activities. These are important dates, events, or updates your local Girl Scout staff want you to know about. These may also include links to additional information that relates to the date and title of the milestone.

2023 Global Action Award

Award Steps:

2023 Global Action Award focuses on Goal 12: Responsible Consumption and Production. By exploring this goal, Girl Scouts think twice about the waste we create and how it impacts us and our planet. The goal is to improve the quality of life of all people everywhere on the planet. They'll also find out about their responsibilities for being a global citizen!

1. Explore the Global Goals and Global Action Award.
2. Explore what it means to be a global citizen.
3. Create a global citizen challenge.
4. Explore what responsible consumption means.
5. Create a responsible consumption challenge.

When Girl Scouts earn this award, they'll understand what it means to be a global citizen. They'll also explore how the things we use and the waste we create impacts our planet. They'll create two separate challenges: one for being a global citizen and one for SDG 12: Responsible Consumption and Production.
